April 9th, 1925.

Gentlemen:

I shall be pleased to receive notices of your further examples of medallic commemoration, and if you have an illustrated catalogue of those which you have made in the past I would like to have a copy. However, the present Paul Revere medal, particularly the reverse, does not appeal to me as an example of modeling and therefor I do not care to add it to my collection. Very truly yours,

Richard F. Warren

Dear Sir:

Your note of April 9th has been received. Many of the medals which have been issued by our Society have been limited to those subscribed for before a certain date; and, in addition, the subscriptions were open only to the members of our own Society, or some affiliated organization which joined with us in the issue. Of those which are not so restricted, there are still available bronze copies of the Peace Medal by Chester Beach, and of the Joseph H. Choate Medal by Herbert Adams. There are, also, Lincoln and Cleveland medals by Roine; the New Theatre Medal of Pratt's; the Babion Medal, and the Medal for the Centennial of the Catholic Diocese of New York.

If you do not have any of the above, and would care to have specimens sent to you, we shall be glad to do this; and you may feel free to return any you do not care to have.

In order to keep informed of future issues, may I ask if you would care to consider an invitation to become an Associate Member of the Society; the dues are but five dollars annually, and we should be glad to enroll you among our supporters.

Very truly yours,

Encs.
